

“Keep Passing The Bread”

Having spiritual conversations
in a natural way.

1. How do we help
people see Jesus
better?

By telling our stories.
We all have a before
and after story.

2. Offer spiritual appetizers.

Intended to...

- Stimulate spiritual thirst
- Keep the dialogue going
- Show Christ in real life

3. Write your own story in a hundred words or less.

Before and after you knew Christ or before and after a major event in your life with Christ.
